FOOTBALL

The Ramblers, with a very green team caused by losses from graduation and induction, turned in two ties and six defeats. They were considered by many schools as one of the toughest teams on defense for their size in this district.

On September 23, the Crooksville Ceramics invaded the Roseville gridiron for the first "grudge" game of the season. After a long, hard fight, the game ended with the score, 6 to 6.

October 1 found the Ramblers on the road to Circleville. The Ramblers just couldn't score against the heavier class "A" team, so they were defeated by a score of 28 to 0.

The following week the Ramblers met the Philo Electrics for our Homecoming game. The final seconds of the game found the Roseville team just two yards from the goal, but they didn't have enough time and were defeated 14 to 6.

"On to McConnellsville", became the battle cry. After minutes of continuous exchanging of the ball, both teams threatening at times, the game ended with the score 0 to 0.

"Stop the Oilers", was our motto at

Bremen the following week. The Ramblers played their best defensive and offensive game of the year that day. Bremen came through with a touchdown in the 50 seconds of the game, as a result of a series of penalties called on Roseville, and defeated the Ramblers 14 to 7.

The following week we found ourselves on the Crooksville gridiron playing the game which would decide which was the better team. Crooksville, by a very good passing and running attack, proved to be the better team by defeating the Ramblers 26 to 0.

On November 4, we journeyed to New Lexington to test the ability of the Panthers. After a hard fought homecoming game for the Panthers, the game ended with the Panthers leading 20 to 0.

November 12 closed the history of football for six seniors and probably many others who will be drafted. It was a very hard blow to the Ramblers when they were defeated by the Philo Electrics by a score of 44 to 0.
